

Please try to come to the services and events at **both** of our Churches, no matter which you normally attend. The programme is designed to offer a complete spiritual journey up to and including Easter. If we know of people with transport difficulties, could we try to ensure that they have a lift. Let's make this a really meaningful and positive time, as one people, with the blessing of two places of worship.

'He is not here, but is risen.'

**Wishing you a blessed and peaceful
Lent and Easter, 2010**
